SUMMARY

Front-End Web Developer with over 2 years of experience in architecting high-performance, user-centric digital products. Specialized in building scalable web architectures using React and TypeScript, with a deep focus on translating complex design systems into pixel-perfect interfaces. Proven track record in optimizing site performance and bridging the gap between technical requirements and sophisticated UI/UX aesthetics.

TECHNICAL SKILLS

Technical Stack: HTML5, CSS3, JavaScript (ES6+), PHP, TypeScript

Libraries & Frameworks: React.js, Tailwind CSS, Bootstrap, Sass/SCSS

Design & Strategy: Figma (Advanced), UI/UX Design Systems, Prototyping, Glassmorphism

DevOps & Tools: Git, GitHub, Firebase (Auth/Real-time DB), Vercel, Render, VS Code

EXPERIENCE

Junior Front-End Developer (Freelance / Contract)

Remote | Jan 2025 – Present

- Collaborate with senior developers via Discord to translate complex wireframes into functional, high-fidelity web pages.
- Implement custom Figma-to-HTML/CSS conversions, ensuring pixel-perfect accuracy and responsive design across mobile, tablet, and desktop.
- Utilize Git and GitHub for version control and collaborative code reviews to maintain high software quality standards.

UI/UX Designer & Web Developer (Project-Based)

Feb 2026 – Feb 2026

- Developed interactive user interfaces using JavaScript (ES6+) and PHP, focusing on user engagement and intuitive navigation.
- Conducted usability testing on prototypes to identify and resolve UI bottlenecks, improving the overall user journey.
- Managed the deployment and hosting of web applications on Render and Vercel, ensuring 99.9% uptime and fast loading speeds.

Web Development Intern / Associate

[Opol Community College] – IT Department | Aug 2023

– May 2024

- Assisted in the maintenance and styling of internal web modules using Bootstrap and Tailwind CSS.
- Participated in system analysis meetings to bridge the gap between technical requirements and visual design.

EDUCATION

Opol Community College

- *Bachelor of Science in Information Technology (BSIT)* **2022-2026**
2020-2022
